PRODUCTS:

ELECTRIC HEATERS

- Air
- Cartridge
- Band and Strip
- Flexible
- Cable
- Ceramic Fiber
- Cast-in
- Radiant
- Immersion
- Circulation

SENSORS

- Thermocouple
- RTD
- Infrared
- Photoelectric
- Proximity
- Limit Switch
- Level
- Pressure
- Flow
- Humidity

CONTROL

- Temperature
- Process
- Timers and Counters
- PLC and Panel PC
- HMI/Operator Interface
- Signal Conditioners
- Mechanical Relays
- Solid State Relays
- SCR Power Controls

**INDUSTRIAL HEAT
BLANKETS**

- Wind Blade Heaters
- Curing / Thawing Heaters
- Cylinder Heaters
- Custom Application Heater
- Tote / Drum Heaters

POWER PRODUCTS

- Power Supplies
- Circuit Breakers
- Overvoltage Protection
- Safety Switches
- Fuse Holder

ADDITIONAL PRODUCTS

- Enclosures
- Special Wire
- Terminal Blocks
- Connectors
- Mold Releases
- Lubricants and Cleaners

Don't see what you need? Call us anyway. If we can't supply it, we will helpfully recommend someone who can.

www.heatcon.com

HEATCON[®] specializes in helping companies who use industrial heaters, sensors and controls. Contact us to solve your manufacturing problem. We can assist you by providing an extensive selection of products combined with application expertise in many industries.

When you use **HEATCON**[®] as a supplier, you have local access to worldwide companies with the latest innovations, the highest quality products, and efficient material distribution channels.
